1. Rehearse the following excerpt which captures the content of what you will use to develop questionnaire
2. You have 10 minutes to rehearse.

Free primary and secondary education in Kenya has enabled the vulnerable segment of the society attain basic education. Despite the efforts of the government in prioritizing Technical and Vocational Education and Training, there is still a high rate of unemployment in the country. As a social worker, your assistance is required in conducting a research and giving recommendations on ways of reducing the levels of unemployment. In this regard therefore, you are to identify a research topic, formulate the objectives and develop questionnaire which shall be used to carry out the research.
