**TVET CURRICULUM DEVELOPMENT, ASSESSMENT AND CERTIFICATION
COUNCIL (TVET CDACC)**

PRACTICAL ASSESSMENT

TIME: 45 MINUTES

INSTRUCTIONS TO CANDIDATE

1. You are working in the cardiac theatre where a coronary artery bypass grafting (CABG) procedure has been completed. You are clearing the operation room to get the instruments ready for the next procedure the following day. You are required to perform the following tasks in this procedure:
 - i. **Clean and decontaminate** various instruments.
 - ii. **Assemble and prepare a standard set** of instruments for the sterilization process.

This paper consists of TWO printed pages.

Candidates should check the question paper to ascertain that all pages are printed as indicated.

2. You are provided with the following resources:
 - i. Clean running water.
 - ii. Sink
 - iii. Buckets
 - iv. PPE
 - v. Measuring jar
 - vi. General set and other instruments
 - vii. Disinfectant
 - viii. Soft brush
 - ix. Lint free cloth
 - x. Powder soap
 - xi. Waste disposal bins.
