**PRACTICAL ASSESSMENT**

**TIME: 30 MINUTES**

**TASK:** Patient Joan John Otieno of above 5 years of age has visited your hospital for the first time to seek medical services. Upon reaching the hospital waiting bay, she was directed to your desk at the reception for manual registration. Register the patient appropriately.

You will be provided with the following resources:

- ✓ Chair
- ✓ Working table
- ✓ MOH 204 B
- ✓ MOH 204 A
- ✓ Writing pen
- ✓ Working Space
- ✓ Simulated patient

The assessor will be required to take photos/audio records of you during the assessment.
