PRACTICAL ASSESSMENT

1 Hour

INSTRUCTIONS TO CANDIDATE

As a community health worker conducting normal routine home visits on 27/07/2023, you came across a community member X who is living with HIV/AIDS and was presenting with the following symptoms;

- a) Fever
- b) Rash
- c) Night sweat
- d) Muscle aches
- e) Sore throats
- f) Mouth thrush
- g) Fatigue
- h) Swollen lymph

He also had a card for clinic appointment with next TCA date 27/01/2023 six months ago.

Task One

Conduct a referral to the simulated client using an appropriate MOH tool.

You are provided with the following tools:

- a) Document A
- b) Document B
- c) Note book
- d) Marker pen
- e) White board and eraser

NOTE:

Videos and photos shall be taken during the practical session
