INSTRUCTIONS TO THE CANDIDATE

Acts of Gender Based Violence (GBV) violates several Universal human rights protected by International Instruments and Conventions. All forms of GBV are illegal and criminal acts in National laws and policies. Jina community has rampant unreported cases of domestic violence. As community health assistant of Jina community, perform the following tasks;

TASK 1

- a) Prepare to conduct a training on GBV.

TASK 2

- b) Conduct a training on FIVE types of gender-based violence in this community.

TASK 3

- c) Conduct a training on FIVE actions the community members ought to take in case they experience domestic violence.

TASK 4

- d) Conduct a training on FIVE effects of gender-based violence in this community.

TASK 5

- e) Conduct a training on THREE intervention strategies to minimize gender-based violence in Jina community.

You have been allocated 1 hour to carry out this task. Use 20 minutes to prepare and 40 minutes for the presentation.

The assessor will take video clips at critical points during the presentation.

You are provided with the following resources for the tasks:

- i. Flip charts/whiteboard
- ii. Simulated audience
- iii. Marker pen and a duster.
- iv. Pens and foolscaps
