COUNCIL (TVET CDACC)**

**PRACTICAL ASSESSMENT**

**Time: 40 minutes**

**INSTRUCTIONS TO CANDIDATE**

1. Mrs. X, a 32 year old pregnant woman, is brought into the operation theatre with a diagnosis of obstructed labour for a scheduled Caesarean section. You have been allocated to work in the receiving area and therefore receive Mrs. X for the planned procedure. In this assessment, you are required to perform the following tasks:
  - i. Perform a preoperative verification for Mrs. X in readiness for the operation according to WHO check-listing.
2. You have been provided with the following resources;
  - Patient file (containing; filled preoperative checklist, cardex, treatment sheet, signed anaesthesia and operation consent forms, observations chart, doctor's consultation notes, signed consent form, investigations results)
  - Patient X (acting)
  - Plain paper
  - Pen
