## **INSTRUCTIONS TO THE CANDIDATE**

During the outbreak of COVID-19 pandemic, Ministry of Health and other international bodies come up with different control measures to prevent the spread. One of the controls and preventive measures was handwashing.

As a community health worker, you were tasked to;

### **TASK 1:**

- a) Prepare to conduct health education on handwashing

### **TASK 2:**

- b) Conduct health education on FIVE critical points for handwashing to community health volunteers

### **TASK 3:**

- c) Train the community on the steps of handwashing to community health volunteers

### **TASK 4:**

- d) Demonstrate hand washing to the community health volunteers

You have been allocated 1 HOUR to carry out these tasks. You have 20 minutes to prepare and 40 minutes for the presentations.

Assessor shall take video clips at critical points during the presentation.

You will be provided with the following resources

1. Flipchart/whiteboard
2. Fools caps
3. Pens
4. Simulated community health volunteers
5. Marker pen and an eraser
6. Running water
7. Soap
8. Paper towels
