TASK 2

- b) Present FIVE diarrhea diseases you will focus on during the campaign.

TASK 3

- c) Train community members on FIVE possible signs and symptoms of diarrhea diseases.

TASK 4

- d) Train community members on FIVE prevention and control measures for diarrhea diseases.

You have been allocated 20 minutes for preparation and 40 minutes for presentation.

Assessor will take video clips at critical points during the presentation.

You have been provided with the following resources

1. Flipchart/whiteboard /computer and projector
2. Foolscaps
3. Pens
4. Simulated community members
5. Marker pen and an eraser
