COMMUNITY HEALTH LEVEL 6

HE/OS/CH/CR/03/6/A

Conduct Community Health Diagnosis and Partnerships

July /Aug 2023

**TVET CURRICULUM DEVELOPMENT, ASSESSMENT AND CERTIFICATION
COUNCIL (TVET CDACC)**

PRACTICAL ASSESSMENT

Time: 1 Hour

INSTRUCTIONS TO CANDIDATE:

Community health needs are identified and selected based on set predetermined criteria. After conducting a health needs assessment, it was found that Community X needs a training on Kitchen solid waste disposal. Assume that is your area of jurisdiction.

You have been allocated ONE HOUR to perform the following tasks

1. Discuss with the community members on kitchen solid waste disposal: methods of collection, segregation, waste management, challenges and how to address these challenges
2. Conduct health education on proper kitchen solid waste disposal methods.

The following resources will be provided for the task.

- a. Simulated community members.
- b. Writing materials.
- c. Kitchen waste disposal facilities(dustbins)
- d. Wall clock
- e. Tables

f. Chairs
